

# Fayetteville VA Medical Center Substance Abuse Treatment Program (SATP) Location: Building 47 Ext. 910-488-2120 ext. 5483/7770

- SATP provides outpatient services ONLY, not acute care. If Veteran is experiencing active withdrawals please direct them to the closet emergency room.
- Screening does not mean enrollment in the program.
- Walk-in hours: Monday-Friday 0800-1500hrs Bldg. 47, 2300 Ramsey Street
- Schedule SATP screening by calling 910-488-2120 x5483 or 7770 (available on Monday - Friday 0800-1500hrs and Saturdays).
- SATP does not provide detox services (Veterans experiencing withdrawals of concern should be directed to the nearest emergency room or FVAMC MAIN UCC).
- SATP provides 3-day outpatient ambulatory detoxification for ALCOHOL WITHDRAWALS. Veterans need to go to the UCC for medical clearance. Started on Mondays, Tuesdays, or Wednesdays.
- SATP Opioid Replacement Therapy Program (buprenorphine or Vivitrol) is for treatment of opioid use disorder, moderate-severe, NOT FOR pain management. There is an approval process and admission is not guaranteed. No same day initial prescription.
- Questions about residential services can be discussed at screening.
- Goldsboro, Hamlet, Robeson , and Sanford CBOCS: SATP offers tele health services. Please submit SATP consult. \* **Limited services at WHCC and JCBOC** \*
